MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT: CHANGE 2 to [Redacted] Regulations Under Executive Orders No. 10450 and No. 10491 Relating to Security Requirements for Employment in the Central Intelligence Agency

STATINTL

(Job #396-TT)

1. The subject CHANGE 2 to [Redacted] is resubmitted for authentication. In accordance with your suggestion the use of the first person has been changed to third person.
2. This Change is necessitated by the issuance of Executive Order No. 10491 dated 13 October 1953 which amends Executive Order No. 10450 of 27 April 1953. The number and date of this Executive order have been added to the introductory paragraph, and Sections 2 and 6, and a new paragraph (b) (8) has been added under Section 3.
3. This Change was initiated by the Deputy Assistant Director for Personnel and concurrences have been obtained from the Inspector General, the Security Office, and the Office of the General Counsel. Further coordination does not appear to be necessary.
4. Suggestions submitted by the Security Office and the Office of the General Counsel, during coordination process, resulted in an additional modification of this Regulation to reflect a recent opinion of the Attorney General to the effect that suspension prior to hearing is not necessary. Accordingly, paragraphs (e) and (h)(1) of Section 5, have been amended to avoid misinterpretation.
5. An informal opinion regarding signature was obtained from the Office of the General Counsel to the effect that:
 - a. Changes to Regulations originally authenticated by the DCI may be authenticated by the DD/A provided such changes are not substantive and do not change or modify policy.
 - b. Where parts of the Regulation not affected by the change being considered contain language which could only be appropriately expressed by the DCI, the change may be authorized by the DD/A, but printed DCI signature must continue to appear on the published document.
